Uniform Policy 2016

School Uniform

Date:	26.09.16	Review Date:	
--------------	----------	---------------------	--

We have decided, after consultation with parents/carers, pupils, school personnel and the LA, to have a school uniform for pupils as we feel it plays an important part in supporting positive behaviour and discipline, developing the ethos of the school and supporting teaching and learning.

We acknowledge that we have an obligation under the Human Rights Act 1998 to protect the rights of individuals to display their religion or beliefs.

We will ensure that the school uniform is affordable, provides best value and that it will be sustainably sourced. A second hand/uniform recycling facility will be established to support this policy.

The introduction of this policy will be phased to enable families to get full wear out of existing items already bought. Any newly bought uniform should comply with this policy.

Aims

- To ensure pupils wear school uniform in order to support positive behaviour and discipline, to develop the school ethos and to support effective teaching and learning.
