

We Are The World

Verse

There comes a time when we heed a certain call,
When the world must come together as one.
There are people dying
And it's time to lend a hand to life,
The greatest gift of all.
We can't go on pretending day by day
That someone, somewhere will soon make a change.
We are all a part of God's great big family,
And the truth you know love is all we need.

Chorus

We are the world, we are the children,
We are the ones who make a brighter day
So let's start giving.
There's a choice we're making,
We're saving our own lives,
It's true, we make a better day, just you and me.

Well, send them your heart
So they know that someone cares,
So their cries for help will not be in vain.
We can't let them suffer
No we cannot turn away,
Right now they need a helping hand.

Chorus

We are the world, we are the children,
We are the ones who make a brighter day
So let's start giving.
There's a choice we're making,
We're saving our own lives,
It's true, we make a better day, just you and me.

When you're down and out
There seems no hope at all.
But if you just believe,
There's no way we can fall.
Well let us realise that a change will only come
When we stand together as one, as one.

Chorus

We are the world, we are the children,
We are the ones who make a brighter day
So let's start giving.
There's a choice we're making,
We're saving our own lives,

It's true, we make a better day, just you and me.
Just you and me! We are the world,
We are the children, the children, the children!
