

## **When You Grow Up**

When you grow up my little one

What are you going to be?

A shrink, a beak, a squaddie

A luvvie on TV?

When you grow up my little one

What are you going to be?

A scrubber, sparky, chippie, clippie

Hoofer, tar, cabbie?

When you grow up my little one

What are you going to be?

A bouncer, boffin, snapper

A rapper on a spree?

When you grow up my little one

What will be your CV?

Will you be a creative,

Or a pen-pusher maybe?
