Children in Foundation Stage, Y2, Y3, Y4 and Y5 need to stay at home.

How are we making sure school is safe?

We will plan for risks before school is open.

Everyone will wash their hands more regularly.

If a child or family member is sick they can not come to school.

School will be cleaned more regularly.

There will be a maximum of 15 children in each room (these will be known as a bubble).

To do this we will need to make changes to school opening and closing times. No parents will be allowed on site.

All children and staff will be expected to adhere to social distancing guidelines.

Children will learn, play and eat with the same children and adults in their bubble.

All staff and pupils will have their temperatures taken on arrival at school.

If your child or somebody else in your child's bubble has symptoms, you will need to isolate your child and get your child tested.

PLEASE NOTE: We are encouraging children to maintain social distancing but this cannot be guaranteed.

Does my child have to come to school?

If your child is well and in one of the groups asked to attend they should.

There will be no fines if your child does not go to school.
