

8th October 2020

Autumn Walk

Dear Parents/ Carers and Guardians

From next week we are going to be teaching the children all about Autumn. As part of our topic we take the children on an Autumn walk to Pope's Meadow. During the walk we will talk about what we can see, where we live and how things have changed. Each class will visit on a separate day.

Willow Class - Wednesday 14th October

Duckling Class - Thursday 15th October

Poppy Class - Wednesday 21st October

Hedgehog Class - Thursday 22nd October

Please make sure your child has a **warm coat** and some comfortable shoes or **welly boots** to wear. We will be going in the morning and will be back to school for lunch time. Please make sure they have sensible shoes to change into when they return to school.

Kind regards

Mrs Matthews
Foundation Stage Leader
