Dear Parent/Carer

June 2021

Would your son/daughter like to learn the clarinet at school?

We have space to offer clarinet lessons to the current Year 3 at St Matthew's Primary School. Places will be offered on a first-come, first-served, basis.

The offer:

- 5 – 6 pupils per group.
- A 30-minute lesson each week, during the school day.
- A hired instrument to take home and practise with.

The cost:

- £69.20 per term (for 10 lessons) plus £35.00 per term for clarinet hire. This works out at approximately **£8.00 per lesson**.
- If your child is eligible for Free School Meals or is in the care of the Local Authority, there is no charge.

Your child will:

- Receive focussed, targeted attention to improve learning.
- Gain musical experiences and have the opportunity to work towards Grade exams.
- Be able to practise at home, leading to faster progress.

If your son/daughter is interested, please email the following details to Luton Music Service at **lutonmusicservice@luton.gov.uk** by **Friday 9 July** and we will reply to your email to confirm as to whether or not we have space:
